Open 9am to 4pm Daily

Aloha,

Thank you for considering Kula Botanical Garden for your next event. The Botanical Garden has several smaller intimate areas and a couple larger areas to accommodate events of all sizes.

- The lawn is our largest flat area within the garden. It is located in the center of the Garden and accommodates up to 100 guests.
- The large gazebo is above the bird sanctuary and can accommodate approximately 15 people comfortably (standing).
- The small gazebo is just above the lawn area overlooking the ravine and can accommodate 5 people.
- Our Event Space (aka the “Tree House”) is perfect for a large event. Plenty of parking and space to accommodate large tents or even a 140 foot water slide (we know someone you can rent it from).

If you are interested in hosting an event past our normal business hours then a \$50.00 per hour fee will apply and the latest we can host is 8pm. We also offer rental of tables, chairs and tents - please see attached for pricing and availability. These items will be delivered to the area of the garden you choose. A representative from your party should be present at setup to ensure they are placed in the correct layout. If you are interested in a larger tent - there are several companies on Maui that can assist with that. Please be aware the largest tent the lawn area in the garden can accommodate is 30'x40'. A representative MUST be present at set up. Electric hook-ups can also be provided with advance requests and an additional fee.

For events that expect more than ten vehicles, we request that you make arrangements for guests to be shuttled from the parking at the entrance gate on the highway to our gift shop/entrance.

We do NOT require a wedding coordinator, however, we are happy to work with anyone you hire. Please call (Ku'ulei Makua (808) 435-4049) with any questions you might have. We look forward to working with you.

Mahalo,

Kevin McCord, Kula Botanical Garden
